## 7 . Our school motto is "creating excellence together". With this in mind, what do we do well?

## Question overview

Category	General
Mandatory	No
Type	Short text response
Answered	109
Not answered	26

Yes (3)

Community Support (3)

Create an inclusive learning environment that caters for different learning styles.

Create inclusive programs and environments, with a great sense of belonging to support student achievements.

Creating a learning enriched environment for all the kids

Encouragement to 'Create Excellence Together'

Everyone gets involved and works together

Giving students opportunities to excel

Great community feel, you can tell all the staff communicate well

Great teachers who make school fun for my child and are getting great results from my child

I like the way teachers from other classes know my sons name. It makes me feel like every staff member cares for every child.

Inclusive

Promote create learning, im all years of schooling.

Supportive and a great overall commitment to strive to excellence. Great teachers and staff.

Teachers motivate kids to do their best and get great results and make learning fun and interesting

The focus on friendship, respect and supporting each other is amazing.

The keys to success

The mixed year groups in classes seems to create lots of different friendship groups and then as a whole everyone knows each other and as a result looks out for each other. Is lovely.

Treendale Primary creates an atmosphere that encourages my child to WANT to achieve great things. They inspire confidence in your kids and help them become independent thinkers.

Parent involvement, book parade etc.

School cohesion from all levels

Sense of community

The Kindy teachers are just amazing. They create the best learning environment by dressing up often, doing role play scenarios and re-creating nursery rhymes for the students.

The school regularly gets the whole school involved in projects, same learning subjects, and works closely with parents

Use technology resilience

Work together as a team

Work with the students to create excellence :)

Working together with both Parents and Teachers to help our children to be able to get the best out of their time at school and educational needs.

Are all As one 5 keys to success

Big kids are fantastic with little kids. Expected learning level is extremely high

Care for the children

Cater to individual needs

Collaboration among year levels.

Continuous communication and ongoing support.

Inclusiveness of whole school learning

Instill confidence in each child to do their best

Involve the parents more, maybe a P&amp;C?

It's great

Music, Science and Sport.

## 2018 Treendale Primary School Parent & Community School Opinion Survey

Provide extracurricular activities such as choir, taiko drumming, running club, minecraft club etc.

Strive to achieve excellence

Support students academically

Teacher go above and beyond to aid my child's learning

Teachers and staff are friendly and work well together, Canteen is really well run and tries to help the kids make good choices by the food it offers.

The teacher all seem to care and be involved in all classes with all students even children who are not in the their specific class room. This gives a feeling of unity and real team work in the whole.

.

Acting on the data you collect

All staff very approachable and the school is a fun and exciting place to be.

Communicate with parents

communication and support from teachers and school staff is always fantastic!

You create a safe and happy place for my son to learn

All teachers are engaging and encouraging to all students

creating team atmosphere that the children thrive in

Encouraging

Everything very happy with the school

Getting along & no bullying policy. ??

Give great support to children, and adapt curriculum to individual learning needs

good in creating average

great communication between school and home due to being an up to date techno savvy school

Have fun

High standard of teaching, values and care for students

I love the school and everyones presentation

Including all year levels in activities (Harmony Day, 100 Days of School, sports carnival). Specialist learning areas (science, phys ed, music) are great.

IT is taught well I appreciate the effort the school has gone to educating parents and children in how to work with IT safely talk by Jordan Foster was great

Make the kids feel like that can be who their are and no afraid to ask for help

Motivate my child to always want to do her best

Safety at school, use of iPads for kids, uniform is the best I've seen, great colours and really well made.

Sense of school community is fantastic

Supporting the children to excel

Teacher are very dedicated.

Whole school events are well advertised and my child enjoys participating in them. I appreciate that the staff all say hello when I am in the school. Front office staff are very friendly and welcoming

Work together

Big kids are fantastic with the smaller children

Classrooms are setup well for learning

collaborate with staff, students and parents

Collaboration between teachers. All on same page

Communication is excellent. We always know what's happening at the school. Always well organised

Create leaders

Encourage the keys to success

Everything, I love how kids struggling gets the extra out of class help

Extension programs (PEAC, Lego robotics, Taiko etc)

Good at bringing all the students together as one body

Having whole School learning and good interaction with all students, teachers and principles.

Implimenting the keys

Include all students in school/group activities and encourage to take part

N/a

Nothing comes to mind

The school community as a whole is great

2018 Treendale Primary School Parent & Community School Opinion Survey

Utilising the keys

Very communal driven school and excellent at creating an accepting learning environment

whole school events

Creating a comfortable learning environment

Developing a range of experiences in our kids. Not just Literacy and Numeracy - music, sport, arts, Language (Auslan) Science and Technology

Different year groups "buddies" for a range of activities

Fostering a positive school environment

Have a great range of awards and prizes at the assemblies which encourage the children to learn in order to win!

inclusivness in all year levels

incorporating future technology into class learning

inspiring students, creating a school that my child wants to come to and gets excited about. all of you are amazing

Interesting learning, inspiring, different opportunities, teachers motivate kids, challenges

Lead by example

looking after the bad behavior kids, ignoring the quiet kids

Parent teacher communication

My child had come from another school where he was depressed. He is absolutely striving now and has been so much happier thanks to his teachers who have only encouraged him instead of discouraging him

Provide excellent education and promote good citizenship

8 . What could we do better?

Question overview

Category	General
Mandatory	No
Type	Short text response
Answered	79
Not answered	56

N/a (6)

NA (3)

Not much

nothing comes to mind

Nothing comes to mind. My children and I are very happy with TPS.

The child I have entolled at the school currently, needs to be challenged further acedemically. I would love a program at the school that would support this at such an early level of development.

The way bullying is being delt with in the upper levels of the school need to be reviewed

Be more aware of kids being bullied in the playground

Cleaning of the toilets

I don't have anything that i could think that you could do better

Keep school website up to date. If a child is tracking below a C Grade, I'd like to be notifed early so that strategies can be implemented before the semester is over.

Learning more. Smaller classes

Less ipad

Limit use of homework on iPads. Have a swimming carnival.

Manage behaviours

Mmm good question

More opportunity for parent - teacher communication, more play based learning in early childhood years.

more parent involvement and suggestions

More parking

More Sports activities

Not applicable

nothing i can think of at this point

nothing serious only the blue stone on the footpaths is very slippery when wet :)

Nothing to point out at this time.

Recognise teachers for their abilities

Take feedback on board and actually listen to other opinions.

The way some children's behaviour is managed could be improved

Uniforms

Better car parking, Explain how future decisions about infrastructure are decided for example why undercover area is next focus - what are other plans. Replant trees that have died for future generat

Provide more access to parent help in classroom activities.

Treat all children equally, some teachers appear to have favourites.

Would like to see a second language taught. Better explanation to parents on process involved in competing in sports carnival for lower levels so I could explain to my child why not competing

Adresss bullying behaviours

Be more aware of what is actually happening in the playground and get involved...

Communicate expectations - find out twice a year if student has failed to meet them, after the fact

I understand iPads are important but 1 iPad free day would be great, like a Friday or sport day.

I would like to see more sport and would be happy to have some if the class time cut to bring back more PE.

Introducing the use of a biro before high school

Just keep it going the way it's going a great school

## 2018 Treendale Primary School Parent & Community School Opinion Survey

---

More homework on a weekly basis and getting checked by teacher on a weekly basis. More balance with iPad with pen and paper. Work more on my child's weaknesses in her work. Teach anti-bullying.

Nothing

Nothing love this school

Only a minor thing but the uniforms. Pants and shorts are way too tight for the correct size. To the point where we have to buy blue non-school ones.

Parent teacher communication more direct about their students' progress instead of just class updates especially on Seesaw.

Parking area at Kindy really bad with parents parking in non-standing areas.

Recognise teachers for their excellence. We have had fantastic teachers

Very happy with all aspects of the school

Family events that bring the school and community together, while also raising money!

I feel my child's teacher has poor communication but nothing has been said because I don't want to jeopardise the communication and lose respect between my child, the teacher and myself

I'm 100% happy with what this school delivers

Less screen time

Little more one-on-one with struggling kids

More community events, ie quiz nights

More consideration of what parents would like and less condescension from staff when addressing parents' concerns in person or via email.

More parent involvement like a P&C

A dedicated art teacher to help creative kids to explore that interest & language teacher as languages are most easily learnt in primary, it's harder to start learning at High School.

Adapt teaching methods to kids. Everyone is different.

After school sports would be great.

Bigger school

Focus more on mathematics

Get the XXXXXXXXXX out

Involve parents, a P&C would be great.

Look after the quiet, well-behaved kids ... give them a sticker to reward

More feedback on individual students in class

More learning through play to teach social and emotional skills in Kindy and Pre-Primary

More parking in the early learning area

More public events. Anzac Day in Bunbury?

More sports equipment

Not sure

Not sure it's pretty good

P&C committee to involve more parents and organise fundraising events

Pronounce all students' first and last names when receiving awards etc
