

Dear Families,

On the reverse of this page is an outline of Voluntary Contributions and possible charges for 2021 which have been endorsed by the School Board. It is a requirement of the Education Act 1999 that these be declared and published.

Voluntary Contribution \$60 Approved Chaplaincy \$2 TOTAL \$62

This is the amount we ask **every** family to pay for **each** child attending school. It is a once off payment which assists us to provide appropriate resources and high quality teaching and learning programs. This 'small' amount goes a very long way and equates to just \$1.50 per week.

There are a number of options being offered to assist parents making their contribution.

Option 1 A single payment

Option 2 Two payments, each made in the first week of each semester.

Option 3 Four equal contributions, each made in the first week of each term.

These can be paid at the school office if you have not paid through the Personal items order form or by electronic transfer to the school bank account:
Treendale Primary School BSB: 066-040 Acc: 19903071

Option 4 Centre pay – Valid Health care card holders will now be able to utilise the Centre pay process to pay contributions owing over the course of the year.

All Contributions are used for the direct benefit of the students.

Charges

These amounts vary from year to year. Students will only incur costs **when** they are actually involved in a particular activity. The amounts indicated are an estimate maximum for the activity and could be cheaper.

Personal Items Lists

A personal items list is also attached and orders can be placed through West School Supplies as instructed on the sheet or via your preferred supplier. Please cross out the items your child will not need to re-purchase. For example, if they already have a calculator you do not need to purchase another one. The \$62 voluntary contribution is on the booklist for your convenience. Orders will be mailed to your home address and with a discount on postage being applied for family groups.

Thank you for the support of your child's education at Treendale Primary School.

Mrs Jayde Hewson
